DATED 20-3-1942

---

[Despatch Abstract.]

Excise - Cashew arrack - S. Kanara distn. -
Diversion of part of the stock allotted for
Hospital use in 1941-42 for issues to depots
and shops - Board's proposal - Approved

BOARD OF REVENUE (EXCISE) DEPARTMENT

C.R. No. 2764 Abkari/42 XA.1 6430 Dated 4th March 1942

Subject.

Cashew arrack - stock reserved for issues to Government Hospitals Diverting a portion to Depots and Shops in South Kanara district - proposal.

From the Government Revenue Department G.O.No.MS.2797 dated 8-12-~~31~~ 41

" Messrs. Parry and Co., Ltd., Madras letters dated 19-2-42 and 27-2-42.

From

S. M. Hamilton, Esq.,
ASSISTANT SECRETARY
BOARD OF REVENUE (EXCISE)

E. M. GAWNE, ESQ., C.I.E., I.C.S.,
MEMBER, BOARD OF REVENUE SEP. Rev. COMMISSIONER OF EXCISE AND COMMERCIAL TAXES.

Reference:- Govt 2797 Rev 8/12/41

With the sanction of the Government the Board directed that out of the 375 gallons of 35°U.P. cashew arrack allotted for supply to Government Hospitals in G.O.No.162 Revenue dated 23-1-41, a quantity of 150 gallons of 35°U.P. should be diverted for issues to depots and shops in South Kanara district in bottles, in the current year. Messrs. Parry and Co., fepresent that the quantity of cashew arrack issued to Government Hospitals up to 19-2-42 was only 113 gallons, that they had on that date still a balance of 112 gallons left for issues to Hospitals and that it does not appear that the hospitals are likely to take this quantity in full in 1941-42. They suggest that a quantity of 50 gallons will suffice for issues to Hospitals till the end of May 1942 and that the femaining 62 gallons may be utilised now for issues to depots and shops in South Kanara district. The quantity of cashew arrack left on 16-2-42 in respect of the stock intended for issues to depots and shops in South Kanara district was only 62.7 gallons of 35°U.P. This quantity would hardly last till the 1942 season cashew arrack is ready for - issue. For the reasons previously stated in para 2 of its reference-- C.R.No.10807 Abkari/41 A dated 12-11-41, the Board considers it expedient to grant the request of the company. It therefore recommends that the Government may be pleased to order urgently the diverting of 62 gallons of 35° U.P. cashew arrack, ~~the~~ for issues in bottles to depots

and

p.t.o.,

and shops in South Kanara district from the existing stock of cashew arrack intended for issues to Government Hospitals.

ASSISTANT SECRETARY

To

The Secretary to Government Revenue Department.

Rev. Deptt.

Excise – Cashew arrack – Stock reserved for issues to Govt Hospitals – Diversion of a portion to depots and shops in South Kanara district – Proposal.

H I 20 C.No. 643 & 42.

From the Board of Rev. Rc. C.R. 2764 ABK/42-XA1 dt 4-3-42

To A.S.

ASST. SECRETARY TO GOVT. 12 MAR 1942 EDUCATION AND PUBLIC HEALTH DEPT.

Please see the Board's Rep in the C.F.

Attention is invited to the notes at pp 7-13 and the orders at p 15 of G.O. 2797 Rev dt 8.12.41 in which the Govt approved the proposal to divert 150 gallons of 35° U.P. Cashew arrack for issues to shops in bottles during that year out of the stock of 375 (N) gallons of Cashew arrack allotted for hospital use in G.O. 162 Rev dt 23-1-41. In that connection the Board observed that it was undesirable that the licit supply of cashew arrack should run out when it was being introduced to combat illicit distillation of cashew arrack. 'A' in p 2 of (M)

3. The Board now recommends, in the circumstances reported at p 1 C.F, that out of the quantity of 35° U.P Cashew arrack allotted for hospital supply in 1941-42 in G.O. 162 Rev dt 23.1.42, 62 gallons may be diverted for issues in bottles to shops and depots in S. Kanara district. (N)

11228

The Board's proposal may be accepted. ~~A draft order~~ The total quantity ~~then~~ diverted from hospital stock would be 150+62 = 212 gallons out of the 375 gallons. Draft is submitted for approval. It may be sent to Dy P.H & Finance before issue.
